Notices.

Any Toylanders caught repeating at the Second Mess will be reported to the Judge.

If the Bugler is asleep at time for Mess Call, don't disturb him; he may be tired. Just wait.

The table-silver was made out of mineral taken out of Major Biram's new claim on Emerald Lake—before he got there.

The lemons were presented by the O.C. S. & H. Co., in exchange for 65 lbs. of beef.

Any Campers going inside the dead-line around the fire, will be put through the "hot oven."
